Your Records:

Date	Grid Ref.	Location – use map overleaf	What is it?	Number	Sex/Stage	Comments
21/4/05	ST621811	wooded area, south-west part of reserve	Orange-tip butterfly	1	adult female	laying eggs on Cuckooflower

- ⊗ Every square on the map overleaf has a six-figure grid reference – use this to accurately work out your location.
- ⊗ When recording Sex/stage, consider details such as male, female, larva, nymph, tadpole, egg, etc...
- ⊗ Useful comments include; behaviour, time of day, weather, and anything interesting or unusual that you notice.
- ⊗ Mark on the map features such as hollow trees, badger setts, nests etc... (if you do then don't forget to draw a key).
