

BRERC – WILDLIFE RECORDING FORM – MULTIPLE SITES

Please return to BRERC, 3rd Floor, Bristol Central Library, College Green, Bristol BS1 5TL

Your name:	Your contact address*: We need your contact details so we can verify the record with you if necessary. All personal information is treated as confidential, and is held in compliance with the Data Protection Act.	Your e-mail address: Your telephone number:
-------------------	--	--

Species name (What did you see?)	Date (DD/MM/YYYY) (When did you see it?)	Grid reference (If possible)	Location (Where exactly did you see it?) Please give a full description of the location including road, house, park, river/stream names etc. Even a sketch map overleaf will help us pin point the location and assign an accurate grid reference.	Number recorded	Any other information? e.g. male, female, adult, nesting, juvenile, larva, pupa, egg, tadpole, dead, killed on road, in flower, in fruit/seed, netted, in or under water, field record etc.

PLEASE CONTINUE OVERLEAF. Please note, records provided to BRERC are deemed to be made available for BRERC to use in accordance with its role as a Local Records Centre. As such, records may be widely distributed by BRERC to third parties, in a variety of formats and media, such as through the National Biodiversity Network Gateway and other websites. Personal information is not supplied by BRERC to data enquirers but names and address may be used by BRERC when mailing newsletters, recording forms, invitations to meetings and other information or publicity material. More details of BRERC policies can be found on our website at: <http://www.brerc.org.uk>.
